

Rocco and the Smalltime Lawyer

-Wills, partnerships. I stay small to stay honest.

-Too bad. I was hoping you'd prosecute Bush and Cheney.

-That won't happen.

-You mean they haven't committed crimes?

-I believe I could prove they have, but the Joker is that Democrats were complicit. Like the Fascist French generals who surrendered prematurely.

-Yeah, but Dems small time. Worst they could get is community service. Brush out a few toilets.

-Not if I was on the case. I'd insist on jail time.

-You want both parties in prison?

-A start.
